RENTON EMERGENCY PREPAREDNESS ACADEMY (REPA) CLASSES

Sign up at Rentonwa.gov/CyberSignup or call 425-430-6700

REPA is a partnership between the City of Renton office of Emergency Management, the American Red Cross & Renton Technical College providing courses designed to help people be better prepared and equipped to face any type of emergency.

Intro to Amateur (Ham) Radio

FREE! **Ages 13 and up.** Amateur radio, often called ham radio, is both a hobby and a service in which participants called 'hams' use various types of radio equipment to communicate with other radio amateurs for recreation and public service. This class will cover the basics of amateur radio, including technology, radio etiquette, emergency communications, and what to look for when purchasing a radio. You will also learn about the opportunities for putting your radio skills to good use! This class is designed for people who already have their ham radio technician license, but it is not a requirement. **This class is held at Renton Fire Station #12 , 1209 Kirkland Ave NE.**

Community Emergency Response Team (CERT)

Ages 15 and up (Participants aged 15–17 must be accompanied by a parent or guardian.) After a disaster people should be prepared to take care of their own needs for a period of time until help arrives. CERT teaches individuals how to prepare for a disaster and help their neighbors. Topics covered include personal preparedness, first aid, fire suppression, search and rescue, terrorism, and team organization. Instruction includes a combination of classroom and practical hands-on training. CERT graduates serve as their own 'first responders' during the critical period after a disaster when existing resources may be overwhelmed. **This class will be held at Renton Fire Station #14, 1900 Lind Ave SW.**

Preparedness Made Easy

FREE! **Ages 18 and up.** Does preparing for an emergency seem like a bigger potential disaster than anything mother nature could throw at you? Would you rather face an earthquake than try to figure out what should be in your bug out bag? This class will focus on quick, affordable, and practical ways you can get prepared for emergencies. Come learn some seriously easy steps you can take to get ready for just about anything. **Held at Renton Technical College in room C111.**

What's In Your First Aid Kit?

FREE! **Ages 18 and up.** Just because you bought a first aid kit doesn't mean you're prepared! The time to crack open your kit and discover it only has old band-aids and wet wipes is NOT when someone needs your help. Come to this show-and-tell style class where we peek into common first aid kits, learn to turn ordinary items into first aid tools, and learn some simple treatment techniques for the items in your kit. **Held at Renton Technical College in room C111.**
