**Narrative Report:**

The last quarter has been a struggle as funding that we had been expecting since February from the Federal Emergency Management Agency was delayed. Then we received news that no shelter or hunger program in King County would be receiving this funding. Despite historic increases in requests for assistance, King County does not meet the new guidelines for unemployment that FEMA now requires.

In July, EFP delivered 2,006 emergency food bags to our distribution partners.

In August, EFP delivered 1933 emergency food bags to our distribution partners. We also coordinated a 3 day garage sale. We received a little over \$2300 for the items that were on sale.

In September, EFP delivered 1783 emergency food bags to our distribution partners. The annual Mayor's Day of Concern resulted in EFP collecting an estimated 53,100 lbs (26.5 tons) of food, countywide. We are planning a Talent Showcase, on October 29, to raise more funds for our organization. The results of this fundraiser will be on the 4<sup>th</sup> Quarter Report.
