## Our Teachers

### **Head Teacher Colleen Smith**

Ms. Colleen has been a preschool teacher for 14 years and loves every minute of it. Originally from California her husband's career brought their family to Washington in 2004. They chose Renton as a place to live and continue raising their family. Both of her youngest children are former Creative Kids Preschool students. She loved her and her children's experience with the program so much, three years later she became the head teacher of Creative Kid's Preschool for the past eight years. Ms. Colleen loves spending time with her family and friends and she loves being a grandma.

### **Assistant Teacher Jessica Cunningham**

Ms. Jessica has been a preschool teacher for 3 years and is still currently enrolled as a full time student in Early Childhood Development. Although she loves every minute of being in the classroom she is also interested in perusing the field of child psychology. She enjoys spending time with her daughter along with family and friends. She is our newest member of the Creative Kid's Preschool team and we are so happy she chose our program to share her knowledge and creativity with our program.
