Orientation is a great opportunity for parents and students to meet the teachers as well as getting questions answered and making new friends. Plan on attending your class orientation time listed above with your student.

Washington State requires current up to date immunization records and the first shot of Hepatitis B vaccine for preschool entry. Please have a current record of your student(s) immunization record by first day of class. At your orientation we will be asking you to review and update your student(s) registration forms.
