

INTRODUCING THE ENVISIONRX APP!

The EnvisionRx mobile app is a free tool that helps EnvisionRx members conveniently manage their prescription benefits using a secure connection through their mobile device

Search '**EnvisionRx**' in the iOS (iPhone) App Store or the Google Play (Android) App Store to get started

ENVISION Rx

Features include:

- Digital ID card
- Pharmacy finder that can be searched by current location or zip code
- Medicine Cabinet for access to prescription claims information, including days until next refill
- Benefit and cost information including plan specific cost savings opportunities
- Alerts to take prescriptions on time and for refill reminders
- Customer service toll-free phone number to contact support

For 24/7/365 support, please contact EnvisionRx Customer Service at: 800-361-4542 (select option 2 for Member Helpdesk) or visit us online at envisionrx.com
