MAYOR’S MESSAGE

The City of Renton strives to provide a safe, healthy and vibrant community and our commitment is reflected in the robust programs and events you’ll find in this guide. Summer is always a fantastic time to sample and experience what Renton has to offer. You’ll find a wide variety of opportunities to shop, play, explore and volunteer. You’ll find many of our city-wide events are free. This is possible because of our partnerships with local businesses and community groups, and we thank them for their generosity. As the weather warms, I encourage you to enjoy a bike ride, watch a movie in the park, shop the farmers market, play a round or two of golf, or take a class.

Our city is known nationally for its quality of life. We are committed to being an inclusive city with opportunities for all and proud of our cultural diversity. There are several ways to register or receive more information: online at rentonwa.gov/events, in person at the Renton Community Center, or by calling 425-430-6700. Our staff will be happy to assist.

On behalf of the city, I wish you a healthy and happy summer!

Mayor Denis Law

NEW EXHIBITS

On the Battlefront and the Homefront: Rentonites in the Great War
MAY 28 – NOVEMBER 11, 2018

Like thousands of cities across the U.S., Renton fully mobilized to support the first World War effort, sending its men off to foreign battlefields. But war mobilization also involved mothers and nurses and farmers and draft board workers. This exhibit explores the experiences of these men and women. For people who had never thought of themselves as part of a global community, WWI crystallized and clarified their beliefs about citizenship and its duties, national identity, and patriotism in ways that changed Renton forever.

“I’m Going Through”: Black Miners Arrive in King County
JUNE 1–AUGUST 31, 2018

In honor of Renton’s Juneteenth celebration, the Museum traces the arrival of African American miners and their families in King County. In the 1880s and 1890s Black families were desperate to escape the Jim Crow South and King County coal mines offered job opportunities. Learn how they shaped King County going forward.

WED, JUNE 13, 7:00 – 8:30 PM

Author and New York Times columnist Timothy Egan will be on hand to discuss his dramatic account of a 1910 forest fire that galvanized public opinion about the wilderness. Join the conversation at the Renton History Museum, housed in a historical Art Deco fire station, where Egan will talk about his book and answer questions. No requests for book-signing, please.

Classes are all 30 minutes in length with the last lesson beginning at 7pm.

PRIVATE LESSONS AVAILABLE

NOTE TO PARENTS
Students must reach the minimum age by the end of the session for which they have enrolled. Select a class on the conservative side of the student’s skills. It is preferable that the students succeed in the appropriate class rather than struggle in one that is far too difficult. Our trained staff will be happy to assist you. Students often repeat a swim lesson level in order to master the required skills.
