## Thank you

The city would like to thank everyone for their patience during this latest "snowmageddon."

Special praise goes to our Public Works staff who have worked alternating 12-hour shifts every day since February 3. Our plow crews have cleared almost 9,500 miles of streets from February 3-11, roughly the equivalent of two round trips to Houston, Texas.

We have storm-related information at [rentonwa.gov/weatherupdate](http://rentonwa.gov/weatherupdate).

## Renton Heart Month

Renton Regional Fire Authority, in conjunction with Renton School District and Valley Medical Center, is providing healthy lifestyle education to students in participating schools in February. The curriculum focuses on healthy eating and exercise, stroke and cardiac arrest symptoms, and calling 9-1-1.
