April is Volunteer Month in Renton

April has been proclaimed Volunteer Month in the city in recognition of the thousands of residents who give their time and talents to make Renton a great place to live, work, play, and learn. In 2018, 5,985 people donated over 50,000 hours to projects involving our parks, special events, youth programs, and boards and commissions. [Learn how you can make a difference.](#)

APRIL 2-4

Airport Hosts Training Drill

Renton Municipal Airport is holding a full-scale emergency training drill today through Thursday. The exercise enables city resources to assess training needs and to ensure that the proper authorities are prepared for an actual emergency.

George the Conductor

Meet "George the Conductor"! The first piece in the Hydrant Art project was unveiled last Saturday at the corner of Williams and Houser. Commissioned by South Renton Connection and painted by Renton artist Sybil McIntyre (pictured), "George" pays homage to the Spirit of Washington Dinner Train that called Renton home.

APRIL 6 AND 7

Free Yard Waste Recycling

This weekend Renton residents have one final chance to drop off storm-related yard waste free of charge at six King County Solid Waste Division locations.
