PREAMBLE

The rules contained herein constitute an Agreement between the City of Renton, hereinafter referred to as the Employer, and the Renton Police Guild, Non-Commissioned, hereinafter referred to as the Guild, governing wages, hours, and working conditions for certain members of the Renton Police Department.

It is intended that this Agreement, achieved through the process of collective bargaining, will serve to maintain good relations between the Employer and the Guild, to promote efficient and courteous service to the public, and to protect the public interest.

ARTICLE 1 – RECOGNITION AND BARGAINING UNIT

1.1. Union Recognition.

The Employer recognizes the Guild as the exclusive representative of all non-commissioned employees for the purpose of bargaining with the Employer. A non-commissioned employee is defined as outlined in RCW 41.56.030. The Guild represents those classes listed in Appendix A.

1.2. Union Representation.

The Guild President, or any other members of the Guild appointed by the President, shall be recognized by the Employer as the official representatives of the Guild for the purpose of bargaining with the Employer. The Guild recognizes the Employer as the duly elected representative of the people of the City of Renton and agrees to negotiate only with the Employer through the negotiating agent or agents officially designated by the Mayor and City Council to act on its behalf.

1.3. Guild Representatives.

The number of representatives of the Guild and the Employer at any negotiating session shall be limited to four (4) members each, unless waived by mutual agreement of the parties.

ARTICLE 2 – UNION MEMBERSHIP AND DUES DEDUCTION

2.1. Membership.

The Employer recognizes that members of the Renton Police Department may, at their discretion, become members of the Guild when such membership has been duly approved in accordance with the provisions of the Guild's Constitution and By-Laws. The Guild accepts its responsibility to fairly represent all employees in the bargaining unit regardless of membership status.

2.2. Union Security.

Within thirty (30) days of hire or transfer into the bargaining unit, each employee has the choice to attend a one-hour orientation session with a designated Guild representative during work hours. The purpose of the orientation is for the Guild to provide information related to coverage under this CBA and enrollment in Guild membership. The Employer and the Guild agree the employees in positions covered under this Agreement hired on or after its effective date shall, on the thirty-first (31st) day following the beginning of such employment, make an election whether or not to become a member of the Guild in good standing.

2.3. Union Officials' Time Off.

- 2.3.1. Release Time for Guild Business.** Official representatives of the bargaining unit shall be given time off with pay to attend meetings with City representatives or to attend Guild meetings, provided reasonable notification is given. Representatives assigned to graveyard shift may be released by 2300 hours with supervisor's approval when necessary to attend such meetings.
- 2.3.2. Release Time for Trainings and Conferences.** Official representatives of the bargaining unit shall be given time off with pay to attend Guild related conferences (not to exceed three working days for a single function). The allowable aggregate of such time off shall not exceed one hundred sixty (160) hours in one calendar year. Provided, that a copy of the agenda of the meeting is submitted to the Chief, at least 14 calendar days prior to the meeting and that the Guild waives the right to working out of classification pay should a replacement be needed to assume the duty of the Guild representative granted time off.
- 2.3.3. Release Time Restrictions.** The Employer retains the right to restrict time off under subsections 2.3.1 and 2.3.2 above if an emergency exists or when such time off would unreasonably impact departmental operations.

2.4. Dues Deduction.

Upon written authorization by an employee and approval by the Guild Executive Board, the Employer agrees to deduct from the wages of each employee the sum certified as initiation dues and assessments twice each month as Guild dues, and to forward the sum to the Guild Secretary or Treasurer. If any employee does not have a check coming to him/her or the check is not large enough to satisfy the assessments, no deductions shall be made from the employee for that calendar month. All requests to cancel dues deductions shall be in writing to the Employer and require notification to the Guild by the Employer. Every effort will be made to end the deduction effective on the first payroll, but not later than the second payroll, after the Employer's receipt of the employee's written notice. The Guild agrees to indemnify and hold harmless the Employer for any claims, with the exception of those caused by the Employer's negligence, arising out of the Employer's activities to enforce the provisions of this Article.

The employer will provide a monthly written report to the Guild transmitted with transfer of deducted dues owed to the Guild ("the transferred amount"). Such report shall indicate: 1) all individuals who had dues withheld as part of the transferred amount, and the amount withheld and transmitted on behalf of that individual; 2) a list of all employees who did not have dues withheld as part of the transferred amount; 3) a list of all employees commencing employment since the preceding report; and 4) all employees in the preceding month who requested discontinuance of payroll deduction of dues.

ARTICLE 3 – EMPLOYMENT PRACTICES

3.1. Personnel Reduction.

3.1.1. Seniority. Seniority is determined by the employee's most recent hire date in the bargaining unit.

- a. In the event of a tie, the determining factor will be placement on the eligibility list.
- b. Leaves of Absence will not be subtracted from seniority.

3.1.2. Personnel Reduction by Classification. Whenever it becomes absolutely necessary through lack of finances, lack of work, reorganization, abolishment of position within classification, or other reasonable and articulable purposes to reduce the number of employees in the bargaining unit, such reductions shall be carried out by classification in the following order:

- a. Temporary employees
- b. Probationary employees
- c. Regular employees in reverse order of seniority within the classification; the one with the least seniority being laid off first

3.1.3. Bumping Rights. If a laid-off employee has previously worked in another job classification within the bargaining unit, and has more seniority than the least

senior employee in that job classification, he/she may exercise the right to replace (bump) that employee.

3.2. Rehires/Reinstatement.

An employee may be recalled and reinstated in order of seniority to a classification from which they are laid off or has previously worked for up to two (2) years from the date of layoff.

In the event a certified employee leaves the service of the Employer due to reduction in force and within the next two (2) years the Employer rehires said former employee into the same classification to which he/she was assigned at the date of reduction, such employee shall be placed at the same step in the salary range which he/she occupied at the time of the original reduction.

3.3. Vacancies and Promotions.

Vacancies shall be filled and promotions made in accordance with Police Civil Service Rules and Regulations, provided, that nothing in this Agreement shall be construed to require the Employer to fill any vacancy.

3.4. Personnel Files.

3.4.1. Personnel Files Contents. The personnel files are the property of the Employer. The Employer agrees that the contents of the personnel files, including the personal photographs, shall be confidential and shall restrict the use of information in the files to internal use by the Police Department. This provision shall not restrict such information from becoming subject to

due process by any court, administrative tribunal, or as required by law. Reasonable notice shall be given the employee should the Employer be required to release the personnel file. It is further agreed that information may be released to outside groups subject to the approval of the Employer; provided, that nothing in this section shall prevent an employee from viewing his/her original personnel file in its entirety upon request. Nothing shall be added to or deleted from the file unless the employee is furnished a legible copy of same.

3.4.2. Inspection of Papers.

The application and examination papers of an employee shall be available for inspection by the appointing authority, the Chief of Police, and affected employee. Employees shall be allowed to review a copy of any adverse documentation before it is placed in the file. The employer shall maintain a single personnel file and there shall be no secret files. Materials for the purpose of supervisor evaluations shall be expunged if not made part of the personnel file. Such papers shall also be made available to the employee upon request, and to the elected or appointed officers of the Guild at the request of the affected employee. Written warnings shall be expunged from personnel files (at the employee's written request) after a maximum period of two (2) years if there is no recurrence of misconduct for which

the employee was disciplined during that period. Any record of serious discipline shall be removed from the personnel files after a maximum period of six (6) years upon written request by the employee and if there is no reoccurrence of misconduct for which the employee is disciplined during that period.

Nothing in this section shall be construed as requiring the Employer to destroy any employment records necessary to the Employer's case if it is engaged in litigation with the employee regarding that employee's employment at the time those records would otherwise be destroyed.

The parties recognize that the Employer may retain internal investigation files, including discipline items removed from personnel files, in compliance with the state records retention schedule and RCW 40.14.

3.5. Probation.

Probation periods for employees newly hired into the bargaining unit shall not exceed one (1) year. During this period, employees may be discharged without resort to the Civil Service or grievance procedure for failure to pass probation. Employees who are promoted within the bargaining unit shall serve a promotional probation period, which shall not exceed one (1) year. During that period, employees may be reverted to their former positions without resort to the Civil Service or the grievance procedure for failure to pass probation.

3.6. Non-Discrimination.

The Employer and the Guild agree that neither shall unlawfully discriminate against any person because of race, color, religion, national origin, age, gender, marital status, sexual orientation, genetic information, disability status, veteran/military status, and/or other protected class or characteristic unless based on a bona fide occupational qualification. The Employer agrees not to discriminate against employees because of union membership or lawful union activities. It is recognized that employees who feel they have been victims of discrimination shall be entitled to seek relief or redress through the grievance procedures contained in this Agreement or through the City of Renton's Fair Practices Policy.

ARTICLE 4 – HOURS OF DUTY AND OVERTIME

4.1. Hours of Duty.

4.1.1. Work Week. The required hours of duty for employees in the bargaining unit shall be 2080 hours per year, based on a work week of: five (5) consecutive days on duty followed by two (2) consecutive days off duty (5/2) unless otherwise provided in this Article.

4.1.2. Revision of Work Week. The work week for all or some employees may be revised upon mutual agreement between the Guild and Police Administration. Mutual agreement on revised work schedules shall be documented in written format and

a copy sent to the Human Resources & Risk Management Administrator.

- 4.1.3. Rotation between Shifts.** The rotation of personnel between shifts shall be minimized within the limitations of providing an adequate and efficient work force at all times. When rotation is necessary, the Employer will notify the affected employees as soon as reasonably possible. Such notification shall occur no later than fifteen (15) calendar days prior to the personnel rotation, except when such employees are probationary employees, or waive this provision in writing, or when such rotations are needed due to a bona fide law enforcement emergency.

The schedules shall be:

- 4.1.4. Electronic Home Detention Coordinators (EHD).** The EHD Coordinator(s) shall work a 9/80 schedule.
- 4.1.5. Evidence Technicians.** Evidence Technician(s) shall work four (4) consecutive ten (10) hour days on, followed by three (3) consecutive days off.

If for any reason either the EHD or Evidence Technician(s) fall below the staffing level of two (2) officers for an extended period of time their schedule shall revert back to a 5/2 schedule.

- 4.1.6. Shift Assignment Police Service Specialists.** Shift assignments for Police Service Specialists shall be

made by bidding by seniority as defined in Article 3, Section 3.1.1.

- 4.1.7. Police Service Specialists.** Police Service Specialists shall work four (4) consecutive ten (10) hour days on, followed by three (3) consecutive days off.
- 4.1.8. Animal Control Officers.** Animal Control Officers shall work four (4) consecutive ten (10) hour days on, followed by three (3) consecutive days off.
- 4.1.9. Parking Enforcement Officers.** Parking Enforcement Officers shall work four (4) consecutive ten (10) hour days on, followed by three (3) consecutive days off.
- 4.1.10. Police Secretaries.** Police Secretaries shall work a 9/80 schedule. If staffing is less than three (3) employees for an extended period then the Police Secretaries will revert back to a 5/2 schedule. (5 consecutive, eight (8) hour days on, two (2) consecutive days off, Monday through Friday).
- 4.1.11. Community Program Coordinator.** Community Program Coordinators shall work a 9/80 schedule.
- 4.1.12. Domestic Violence Victim's Advocate.** The Domestic Violence Victim's Advocate shall work four (4) consecutive ten (10) hour days on, followed by three (3) consecutive days off. Days off shall include Saturday and Sunday.
- 4.1.13. Crime Analyst.** The Crime Analyst shall work four (4) consecutive ten (10) hour days on, followed by three

(3) consecutive days off. Days off shall include Saturday and Sunday.

4.2. Overtime.

- 4.2.1.** Except as otherwise provided in this Article and when required by the Fair Labor Standards Act, employees shall be paid at the rate of time and one-half for all hours worked in excess of their regular shift. Overtime will not be paid for hours in excess of a scheduled shift resulting from a regularly scheduled shift rotation.
- 4.2.2.** Employees required to work on any regular or approved day off shall be paid at the rate of time and one-half for the first day and double time for the second and subsequent consecutive days EXCEPT in the event of an emergency when overtime shall revert to the time and one-half rate.
- 4.2.3.** All employees shall be paid time and one-half for each hour worked in excess of forty (40) hours in one week, provided, these overtime hours have not already been paid under Section 4.2.2 above.
- 4.2.4.** Overtime, except for training, shall be voluntary, provided that if there are not enough volunteers to meet public safety requirements, overtime shall be mandatory.
- 4.2.5.** Employees may not accumulate less than fifteen (15) minute increments of overtime.

- 4.2.6.** In recognition of Fair Labor Standards Act (FLSA) guidelines, overtime shall be computed on the base pay of the employee and shall include any premiums as described in Article 6 of this Agreement in calculation of the overtime rate.

4.3. Overtime Minimums.

In the event overtime is not in conjunction with a regularly scheduled shift, the minimum payment shall be as set forth herein. The rate of pay for minimums shall be time and one-half. However when section 4.2.2 applies, the employee may choose either the double time rate for all hours worked or the time and one-half rate for the applicable minimum. Court minimums shall not overlap.

- 4.3.1.** Three (3) hours for any court or related hearing located in Renton.
- 4.3.2.** Four (4) hours for any court or related hearing outside the City of Renton.
- 4.3.3.** Four (4) hours for any required court attendance within nine (9) hours of the end of a graveyard shift within the City of Renton and five (5) hours outside the City of Renton.
- 4.3.4.** Two (2) hours for any other unspecified overtime including in-person meetings with the prosecutor's office or defense counsel.
- 4.3.5.** Three (3) hours when an employee assigned as an Evidence Technician is requested to report for duty as

a result of an investigation call out. To be eligible, the employee must have been off duty for at least one (1) hour preceding the call back.

4.4. Compensatory Time.

The Employer shall pay all authorized overtime requests on a cash basis, provided that employees shall be allowed to elect compensatory time in lieu of overtime cash payment up to a maximum accrual of eighty (80) hours. Nothing in this Section shall be construed as to prohibit the employee option of requesting compensatory time off in lieu of paid overtime, provided that the accumulation and use of such time is approved by the Administrative Officer or Officer officially acting in that capacity.

In December of each year, the Chief has the option of purchasing all or part of compensatory time accumulated by employees.

4.5. Standby.

The Employer and the Guild agree that the use of standby time shall be minimized. Standby assignments shall be for a fixed, predetermined period of time. Employees placed on standby status by a member of the Police Department Command Staff, shall be compensated on the basis of one (1) hour straight time pay for each two (2) hours of standby or fraction thereof. If the employee is actually called to work, standby pay shall cease at that moment and normal overtime rules shall apply.

4.6. Compensation for Training.

4.6.1. Compensation Rate. Employees will be compensated at the time-and-one-half overtime rate for all training approved, scheduled, and attended on a day off or consecutive days off whether they are the trainee or the trainer.

The exception to the overtime rate for training are employees assigned to the Crisis Communications Unit (CCU) who agree to shift adjust (“training trade days”) **with at least 30 days’ notice for all department training associated with the CCU.**

Training trade days are an option for all non-commissioned employees. They must be mutually agreed upon and completed within the FLSA work period. If staffing does not allow for training trade days then the Employer shall either deny the training or compensate the employee at the overtime rate.

4.6.2. Training Scheduled during Regular Shift. The Employer shall have a reasonable obligation to attempt to schedule training during the employee’s regular shift.

4.6.3. Training On a Scheduled Work Day, Not Requiring Overnight Accommodations: If the scheduled off-site training day exceeds six (6) hours and occurs on the employee’s workday, the hours of training shall constitute an entire workday, regardless of the employee’s hours of duty:

The employee agrees to waive any overtime resulting from attendance at any training school or session on a scheduled workday provided that the affected employee is relieved of all police duties as follows:

- a. When the training occurs on the first scheduled workday of the shift, the employee shall be relieved of duty sixteen (16) hours following the conclusion of the training.
- b. When the training occurs on the last scheduled day of the work shift, the employee shall be relieved eight (8) hours prior to reporting for training.
- c. When the training occurs on all days between the first and last scheduled days of the work shift, the employee shall be relieved eight (8) hours prior to and sixteen (16) hours following the training session, except that employees working day shift may be required to report to work twelve (12) hours following the training session.
- d. Employees assigned to graveyard shall be relieved of duty the shift preceding the day of training, if the training is scheduled for six (6) hours or more.

4.6.4. Training Requiring Overnight Accommodations:

Employees who are approved by their supervisor to attend training that requires overnight accommodations shall be paid travel time if the traveling occurs during their regularly scheduled work hours. Travel pay is based on the employee's regular hourly rate, and to be paid must be accompanied with documentation validating hours spent in travel status. If driving, documentation must be provided showing the distance from Renton City Hall to the place of accommodation. The employer reserves the right to require an efficient mode of transportation be used. Only authorized travel plans will receive travel pay in compliance with FLSA and City policy.

4.7. Early Release.

4.7.1. Non-commissioned personnel called into work prior to the beginning of their normal scheduled hours shall be allowed to start their regularly scheduled shift at the time called in. Work hours spent on the time called in will be at the overtime rate. Once the call is complete, or the employee's regular start time arrives, the employee may elect to flex the remainder of their shift pending supervisor approval. Regular shift time hours will be paid at the straight time rate.

4.7.2. It is the Employer's desire to not have an employee work more than sixteen (16) hours in a workday. Except in an emergency situation, the employer will

make every effort to ensure that employees do not work more than sixteen (16) hours in a workday.

ARTICLE 5 – SALARIES

The Employer agrees to maintain salaries in accordance with the attached Appendix A.

This Agreement shall be opened for the purpose of negotiating wages, hours, and working conditions for any new classifications of employees not covered within this Agreement. Such salaries shall become effective upon the date the new position is filled. Nothing in this Section shall preclude the Employer from establishing such new positions or classifications.

ARTICLE 6 – ALLOWANCES AND PREMIUMS

6.1. Clothing Allowance.

6.1.1. Annual Allowance. Community Program Coordinators, Crime Analyst, and Domestic Violence Victim's Advocate shall receive \$650 per year as clothing allowance.

6.1.2. Purpose. The purpose of such allowance is to buy, maintain, and repair any equipment or clothing required by the Employer, which is not furnished by the Employer. The allowance shall be paid in the second paycheck of February of each year, and is subject to pro-rata deduction from the final paycheck in the event an employee does not serve the entire

twelve (12) months for which such payment was made, with the exception of an employee who retires, or dies, in which event no deduction shall be made. Any employee transferred or promoted into a position covered by this article after January 1st of any calendar year shall receive a pro-rated clothing allowance for the remainder of said calendar year.

6.1.3. Uniforms are the Property of the City. It is agreed that all equipment and clothing issued by the City of Renton shall remain the property of the Employer and same shall be returned to the Employer upon termination or retirement. It is further agreed that nothing in this Article shall preclude the Employer from taking any authorized action to maintain the standards of appearance of the Renton Police Department.

6.1.4. Reimbursement for New Clothing Requirements. In the event that the Employer should change the clothing which is required by Resolution 1669 dated March 2, 1970, during the life of the Agreement, employees so affected by such changes shall be reimbursed for the entire cost of three (3) issues of such new clothing.

6.2. Quartermaster System.

A quartermaster system shall be in effect for employees who wear department uniforms. The Employer will issue a list of required clothing and equipment and a description of the mechanics of the

quartermaster system. Required uniforms and equipment shall be provided to each employee as follows:

- 6.2.1.** Required uniforms and equipment shall be provided without cost to the employee as set forth in Police Department policy as approved and/or amended by the Chief of Police. Such required uniforms or like clothing once approved by the Chief of Police or designated appointee may be purchased by the employee and be reimbursed by the quartermaster system.
- 6.2.2.** Optional uniforms and equipment may be purchased by the employees at their own expense.
- 6.2.3.** Required and optional uniforms and equipment shall be replaced without cost to the employee when they become unserviceable which may be determined by the immediate supervisor or the training coordinator.

6.3. Uniform Cleaning.

The Employer will provide those non-commissioned employees participating in the quartermaster system with contract cleaning services at the rate of two (2) cleanings per work week/cycle to an annual maximum of \$6,000.00 for the entire group of non-commissioned employees participating in the quartermaster system.

6.4. Callout Pay.

Hazardous duty pay in addition to regular pay shall be granted to certain employees in accordance with the following schedule:

6.4.1. Crisis Communication Unit. Members assigned to the Crisis Communication Unit will be paid at the rate of double-time with three (3) hour minimum when called to an emergency situation requiring their expertise.

6.5. Premium Pay.

6.5.1. Field Training Officer (FTO). Police Service Specialists who are assigned to train or supervise new employees (Field Training Officers – FTO’s) shall be compensated with a 4% premium, starting January 1, 2011.

Such training premium shall not be received by the Lead Police Service Specialist, or Police Services Specialist Supervisor.

6.5.2. Interpreters. Bargaining unit members who pass a City approved examination for interpreters will be compensated at the rate of three percent (3%) per month while certified. Employees who successfully pass the initial examination will be required to recertify annually. The City will determine who is to receive the premium based on the need for the employee’s particular language skill.

6.5.3. Public Records Act Premium. The parties recognize that the Public Records Act has created a sufficient

increase in responsibilities and training for Specialists required to respond to these requests. Because these duties are relatively new for many public jurisdictions the City has not analyzed the impact to employees who are assigned these duties. It is the City's intent to conduct a market review on these duties and to implement any changes that may be necessary. During the interim the employer agrees to pay Police Service Specialists assigned to records a 2.5% premium.

6.6. New Positions.

This Agreement shall be opened for the purpose of negotiating premium or hazardous duty pay for any new position, which is not covered within this Agreement; such pay to be effective upon the agreement of both parties. Nothing in this Section shall preclude the Employer from establishing such new positions.

6.7. Working Out Of Classification.

Any employee assigned the duties normally performed by a higher paying classification shall be compensated as follows, providing the higher classified person was regularly assigned during that period. Such employee shall be paid the equivalent of 1/4 hour overtime for each two (2) hours or fraction thereof worked. Such payment shall be at the time and one-half rate.

6.8. Physical Fitness Deferred Compensation Contribution.

In recognition of an employee's personal time expended to maintain a level of fitness, the following program shall apply:

- 6.8.1. Non-commissioned employees who pass an agreed upon entry-level physical fitness test shall receive a fitness incentive premium for a period of one (1) year following the successful test. The test is voluntary and will be offered at least three (3) times each year.
- 6.8.2. The testing dates/times shall be posted on or before February 1st of each year. The City can combine testing with the Commissioned unit.
- 6.8.3. Employees who comply with the above shall be compensated with an additional three percent (3.0%) of base pay, in the form of deferred compensation.

ARTICLE 7 – SICK LEAVE

7.1. Sick Leave.

- 7.1.1. **Sick Leave Accrual Rate.** Sick leave benefits under this paragraph will begin accrual upon employment with the award of twenty-four (24) hours of sick leave. Upon completion of the third month of employment, an additional twenty-four (24) hours of sick leave will be awarded. Upon completion of the sixth month of employment, sick leave will accrue at the rate of four (4) hours per pay period.
- 7.1.2. **Sick Leave Annual Cash Out.** At the written request of the employee, due by February 10th, the employer will cash out at the employee's base rate of pay at 50% of all annual sick leave accrued (but not used) over 520 hours. This amount shall be placed into the

employee's deferred compensation account, administered by the employer. Transfer of these funds shall occur at the same time as the second pay check in February is issued.

7.1.3. Sick Leave Payment at Separation. Cash payment for sick leave accrued in accordance with subsection 7.1.2 will not be made upon an employee's death, retirement, or voluntary separation.

7.1.4. Sick Leave Use. Employees shall be entitled to utilize sick leave for family medical emergencies or for illness in the immediate family. Step (3)

If the grievant is not satisfied with the decision rendered, he/she shall submit the grievance/issue in writing to the Chief of Police within fifteen (15) calendar days. The Chief of Police shall notify the employee(s) and the Guild Representative in writing of his/her decision and the reasons therefore within fifteen (15) calendar days thereafter.

Step (4)

If the grievant is not satisfied with the decision rendered, he/she shall submit the grievance/issue in writing to the Mayor within fifteen (15) calendar days. The Mayor shall notify the employee(s) and the Guild Representative in writing of his/her decision and the reasons therefore within fifteen (15) calendar days thereafter. Consideration of the issue shall conclude at this point.

Step (5)

If the grievance has not been settled by the Mayor, either party may submit the matter to arbitration. In any case, the matter must be referred to arbitration within ninety (90) days from conclusion of the fifteen (15) day period of consideration by the Mayor. A neutral arbitrator will be selected jointly by both parties. If the parties cannot agree on an arbitrator, they will request a list of arbitrators from the American Arbitration Association (AAA) and alternately strike names, if necessary, to pick an arbitrator. The arbitrator selection process will not exceed ten (10) days. The total cost of the proceedings shall be borne equally by both parties. The arbitrator's award shall

be final and binding on both parties, provided, however, that no authority is granted to the arbitrator to modify, amend, or delete any terms of this Agreement.

When an employee or the Guild appeals a grievance to arbitration, such appeal shall be made in writing and shall constitute an election of remedies and, to the extent allowed by law, a waiver of any and all rights by the appealing employee or the Guild to litigate or otherwise contest the appealed matter in any court or other available forum.

17.3. Election of Remedies.

In the case of disciplinary actions that are appealable to the Civil Service Commission, a non-probationary employee may file a grievance under the terms of this Agreement alleging that the disciplinary action was not for just cause. If the employee does so, it shall constitute an election of remedies and said employee shall be barred from pursuing the issue in any other forum including, but not limited to, the Civil Service Commission. Likewise, if an employee files litigation in any other legal forum, including Civil Service, that employee may not grieve said discipline and any grievance previously filed shall be deemed withdrawn and any remedies previously granted shall be void.

ARTICLE 18 – PERFORMANCE OF DUTY

Nothing in this Agreement shall be construed to give an employee the right to strike, and no employee shall strike or refuse to perform assigned duties to the best of his/her ability. It is further agreed that no employee shall refuse to cross the picket line of any other union during his/her scheduled work shift.

The parties recognize and agree to abide by the provisions of RCW 41.56.120.

ARTICLE 19 – RETENTION OF BENEFITS

Wages, hours, benefits, and working conditions constituting mandatory subjects of bargaining in effect on the effective date of this Agreement shall be maintained unless changed by mutual agreement between the Employer and the governing body of the Guild.

The Employer agrees to notify the Guild in advance of changes or hearings affecting working conditions of any employee covered by this Agreement, except in emergency situations and provided that the Employer is aware of the changes or hearings.

ARTICLE 20 – PAY DAYS

20.1. Pay Dates.

Employees shall be paid twice each month and any employee who is laid off or terminated shall be paid all monies due on the next following payday. All employees shall be paid on the 10th and 25th day of each month. If the 10th or 25th day of the month falls on a holiday or weekend period, the employees shall be paid on the last business day prior to that period.

20.2. Online Pay Stubs. Effective January 1, 2017, the employer shall no longer issue paper pay stubs to employees.

20.3. Direct Deposit.

All employees will participate with direct deposit of paychecks. All employees must enroll in direct deposit within 30 calendar days from the date of their hire.

ARTICLE 21 – SAVINGS CLAUSE

21.1. Savings Clause.

If any article of this Agreement or any addenda hereto should be held invalid by operation of law or by any tribunal of competent jurisdiction or if compliance with or enforcement of any article should be restrained by such tribunal, the remainder of this Agreement and Addenda shall not be affected thereby, and the parties shall enter, within ten (10) calendar days, into collective bargaining negotiations for the purpose of arriving at a mutually satisfactory replacement or modification of such Article held invalid.

21.2. Contract/Civil Service.

Any conflict between the provisions of this Agreement and current Civil Service Rules and Regulations shall be resolved as set forth herein. It is further understood that (a) to the extent the labor agreement does not address a matter (e.g., discipline, seniority, lay offs, etc.) and Civil Service does, then Civil Service shall prevail; (b) to the extent the labor agreement does address a matter (e.g., discipline, seniority, lay offs, etc.) and Civil Service also does so, the labor agreement shall prevail. The Employer and Guild otherwise retain their statutory rights to bargain changes in Civil Service Rules and Regulations (i.e. changes initiated after the effective date of

this agreement) for employees in the bargaining unit. Upon receiving notice of such proposed changes(s) from the Civil Service commission, either party may submit a written request to the mayor (within sixty (60) calendar days after receipt of such notice) and the result of such bargaining shall be made a part of this Agreement.

21.3. Successor Agreement.

This Agreement and any and all amendments and modifications hereafter entered into and executed by and between the parties hereto shall be binding and inure to the benefit of the parties' respective successors and assigns and any other governmental entity succeeding to the City of Renton's obligations hereunder.

In case of any merger or consolidation by the Employer with another governmental agency, either party shall have the right to reopen this Agreement for negotiation of any positions affected by the merger or consolidation.

21.4. FLSA Disputes.

The Employer shall have the right to bargain any issues arising out of the implementation of the Fair Labor Standards Act (FLSA) including any conflicts that may arise regarding Article 19, Retention of Benefits. Statutory provisions for resolution of impasses reached in collective bargaining, and contractual provisions for resolution of grievances arising out of such FLSA issues shall apply.

ARTICLE 22 – ENTIRE AGREEMENT

The Agreement expressed herein in writing constitutes the entire Agreement between the parties, and no oral statement shall add to or supersede any of its provisions.

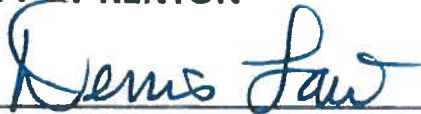

The parties acknowledge that each has had the unlimited right and opportunity to make demands and proposals with respect to any matter deemed a proper subject for collective bargaining. The results of the exercise of that right are set forth in this Agreement. Therefore, except as otherwise provided in this Agreement, the Employer and the Guild for the duration of this Agreement each voluntarily and unqualifiedly agrees to waive the right to oblige the other party to bargain with respect to any subject or matter not specifically referred to or covered in this Agreement.

ARTICLE 23 - DURATION OF AGREEMENT

Unless otherwise agreed, this Agreement shall become effective April 1, 2019, and shall remain in force until December 31, 2020.

Signed this 17th day of April, 2019, at Renton, Washington.
