

COVID-19 Update

from Mayor Armondo Pavone

Wednesday, June 3, 2020 / Issue: 36

[Click to learn more...](#)

With information regarding COVID-19 continually being updated, I've decided to publish this newsletter on Tuesdays and Fridays to share what we know with the residents of Renton. In each edition our team will bring you the latest updates from around the city as well as information from county, state and federal officials and agencies.

Google Translation available on website. For additional translation services contact communications@rentonwa.gov.

In 2019 the LGBTQIA+ flag flew over City Hall for the first time. In 2020 this special "Philly Flag" with added black and brown stripes will fly from June 15 to 21.

June is LGBTQIA+ Pride Month in Renton

I have declared June as [LGBTQIA+ Pride Month](#) in Renton, which the council unanimously passed last night. This is the second consecutive year we have celebrated Pride Month in Renton.

Sara Palmer, vice president, Renton LGBTQIA+

I was very pleased that Sara Palmer, vice president of [Renton LGBTQIA+ community](#) was able to join us via Zoom to accept the proclamation on behalf of president Winter Cashman-Crane.

It was especially significant that Sara told the council her group would not be where they are today without the contributions from groups of color. Today we are seeing firsthand how our communities of color are struggling to have their voices heard.

On June 15, we will proudly raise a special pride flag, the "Philly Flag," over City Hall and fly it for one week to show our support for all members of the LGBTQIA+ community. The flag is a gift to the city from the Renton LGBTQIA+ community. In addition to the recognizable rainbow stripes, the "Philly Flag" contains black and brown stripes acknowledging the help and support the LGBTQIA+ community has received from those communities.

I hope what this flag represents is a reminder to our community we are one and everyone's contributions must be honored and respected.

Peaceful Protests

An estimated 150 residents peacefully protested the death of George Floyd at City Hall on Monday. (photos courtesy of David Nelson @wapio3021)

On Monday, around 150 residents came to City Hall to peacefully protest and draw attention to the senseless death of George Floyd in Minneapolis. The majority were young people. A few were still wearing their cap and gown from an earlier drive-through graduation ceremony at Renton High School. Renton police officers remained mostly out of sight to remove the tension that's been present at other cities.

During the protest, I released this statement, affirming my belief that Renton residents have a right to protest peacefully.

"Rally supporters and protesters are trying to make a statement peacefully about a wrong that was committed last Monday. George Floyd did not deserve to die and racism is never an answer to anything and must stop."

The protestors conducted themselves with dignity and their message was received. We want to thank our community for the peaceful protests. Chief VanValey and I are committed to police accountability and ending police violence. We are listening and we are committed to continuing this conversation.

Riots in Renton

Monday night I declared an overnight curfew in an effort to prevent any violence and property damage in our city. On Sunday night we did have some riots in Renton, but I am pleased that we saw no significant incidents or damage.

Renton Chamber of Commerce CEO Diane Dobson posted this on Tuesday:

"A huge shout out and thank you to our Renton Police Department and City leadership. Minor bumps and bruises, but we will get thru it. Walmart has 1 entrance blocked/boarded and it's 'business as usual' thru the other entrance. Target is closed, but outside is clean and calm. Fred Meyer is green light go for shoppers. And our beautiful downtown, despite some rogue stragglers looking to cause chaos and some broken windows and a sleepless night, is still standing strong."

"There may be some more rocky waters ahead but now is the time to come together as a community, support one another, hear those voices crying out to be heard, stand alongside one another in the injustices and uplift each other to places we are unable of achieving on our own.

"Brighter days lie ahead and our possibilities are strong."

Police leadership and staff will continue to monitor events around town and I do not rule out more curfews. In the meantime, if you see something, please say something. If it's an emergency call 911, if not, call 425-235-2121. We need to work together and do everything in our power to protect and keep our residents and businesses safe.

Farmers Market opening delayed one week

Yesterday was the scheduled opening of the [Renton Farmers Market](#), but we made a decision Monday afternoon to postpone it by a week until June 9.

I hope you'll come down next Tuesday from 3 to 7 p.m. and every Tuesday through September to support our local farmers by buying the freshest fruits and vegetables available.

County adds second round of OESJ funding

Included in King County's second COVID-19 emergency supplemental budget is \$1 million allowing the county's Office of Equity and Social Justice (OESJ) to expand funding for their COVID-19 Community Response Fund.

This pandemic has disproportionately impacted our communities of color. OESJ is prioritizing funding to partners working with those communities who are at the highest risk of immediate and long-term negative impacts to health and economy.

In April, OESJ awarded nearly \$800,000 to 39 community groups in a first round of funding.

This round of grants will max out at \$25,000 and will be awarded based on the priorities found in the [Overview & Criteria for Community Responses Fund](#). You can find the application on [OESJ's website](#). Applications are due by 5 p.m. on June 9, 2020. Questions and applications should be sent to info-covid@kingcounty.gov.

Inspections - Building and Development Engineering

Community and Economic Development Department (CED) continues to update homeowners and contractors regarding how the city is implementing the construction-related provisions of Gov. Inslee's COVID-19 construction restart plan and related guidance issued by the governor's office.

Upon approval for King County jurisdictions to move to Phase 2 of the Governor's "Safe Start" plan, CED hopes to perform physical onsite and virtual inspections for all construction projects pursuant to the [Governor's Phase 2 construction COVID-19 job site requirements](#) effective as of May 15, 2020.

Whenever possible, virtual inspections will be accomplished. If you are interested in more information about virtual inspections, please contact the Building Division: 425-430-7200.

The phase 2 construction COVID-19 job site requirements permit all construction activity to proceed, whether previously authorized, newly authorized, existing, or not existing. In effect, new construction is no longer limited to construction that was previously authorized under Proclamation 20-25.

Under phase 2, all construction, including those activities for which social distancing may not be maintained, and the start of new construction projects, is authorized to resume. Adherence to the health and safety points in the phase 2 job site requirements will be strictly enforced. Under the phase 2 requirements, any paused and existing construction activity, may resume/continue immediately if:

- The employers and employees can meet and maintain all requirements listed in the phase 2 – construction COVID-19 Job Site Requirements document; and
- The employers and employees conduct only those activities that are allowed under their county's phase status.

The safety plan was developed as part of a working group that included contractors and workers. The plan includes requirements related to safety training, physical distancing, PPE, sanitation and cleanliness and monitoring employees for symptoms.

Prior to calling for an inspection please be sure you have met the minimum requirements necessary for an onsite inspection:

1. COVID-19 Site Supervisor

A site-specific COVID-19 Supervisor shall be designated by the contractor at every job site to monitor the health of employees and enforce the COVID-19 job site safety plan. A designated COVID-19 Supervisor must be present at all times during construction activities.

Exception: single-family residential job sites with 6 or fewer people on the site.

2. Posting of COVID-19 exposure control, mitigation and recovery plan available on job site

Prior to commencing work all contractors are required to develop for each job site a comprehensive COVID-19 exposure control, mitigation, and recovery plan. The plan must include policies regarding the following control measures: PPE utilization; on-site social distancing; hygiene; sanitation; symptom monitoring; incident reporting; site decontamination

procedures; COVID-19 safety training; exposure response procedures; and a post-exposure incident project wide recovery plan. The plan must also include a Job Hazard Analysis (JHA), including a list of engineering controls and proper Personal Protective Equipment (PPE), for all jobsite activities defined by Washington State Department of Labor & Industries (L&I) as medium and high transmission risk.

No jobsite may operate until the contractor can meet and maintain all requirements of the Phase 2 Construction COVID-19 Job Site Requirements, including providing materials, schedules and equipment required to comply.

These COVID-19 job site safety practices are required as long as the "Stay Home, Stay Healthy" [Gubernatorial Proclamation 20-25](#) is in effect or if adopted as rules by a federal, state or local regulatory agency. All issues regarding worker safety and health are subject to enforcement action under L&I's Division of Occupational Safety and Health (DOSH).

- Employers can request COVID-19 prevention advice and help from [L&I's Division of Occupational Safety and Health](#) (DOSH)
- Employee Workplace safety and health complaints may be submitted to the L&I DOSH Safety Call Center: (1-800-423-7233) or via e-mail to adag235@lni.wa.gov

Republic Services

- [Republic Services](#) has put into effect new temporary guidelines for waste collection procedures in the interest of safety for both the public and their drivers. All recycling and organics materials must be placed in a cart or can; any loose, bundled, or bagged items outside of a cart or can will not be collected. Extra garbage must be placed in a cart, can, or secured in bags. Bulky waste collection and Clean Sweep collections are suspended until further notice. All collection routes are on normal schedule. Questions? Contact Republic Services at 206-777-6440.
- Republic Services will waive late fees and penalties and will not activate any service suspensions for a period of 90 days. (*March 23*)
- Businesses with solid waste accounts and operating during "Stay Home, Stay Healthy" can call Republic Services at 206-777-6440 to request necessary service changes including increased/decreased container size or frequency of service. The city's mandatory garbage code requires at least the minimum level of service (20-gallon cart) and one collection per week.
- Businesses with solid waste accounts and temporarily closed as a result of COVID-19, can contact Republic Services at 206-777-6440 to request a temporary hold on their account. No service will be provided during the temporary hold and businesses MUST NOT place any garbage or recyclables in their containers during the hold period, as this could result in a public health problem. All COVID-19 holds will be reinstated to normal collection once "Stay Home, Stay Healthy" order is lifted.

“Stay Home, Stay Healthy” Order

“Stay Home, Stay Healthy” is the governor’s executive order asking all state residents to stay indoors. Originally issued on March 23 for a two-week period, it was extended on April 2 through May 4 and then through May 31. If you suspect a business is in violation of the governor’s order, the state has an [online reporting form](#). If report is about an individual or private group, use the police department non-emergency number 425-235-2121.

The following are allowed under the order. Please keep appropriate social distancing of at least six feet.

- Grocery shopping
- Ordering restaurant takeout or to-go
- Medical appointments and pharmacy pickup
- Walking, running, biking and gardening
- Going to gas stations, food banks, banks and laundromats
- Going to work if your job is part of [essential businesses](#)
- Funerals only if at a funeral home or at cemetery gravesides. Only immediate family members of the deceased can attend and proper social distancing by staying is maintained.

What is not allowed:

- Attending weddings or religious services
- Attending or playing in sports games and practices
- Participating in any in-person leisure, hobby or social clubs
- Going to concerts, festivals, parades, theaters, museums, art galleries or fundraisers
- Working out at a gym or fitness center

- Going to barbers, nail salons or tattoo parlors

- [May 4](#) - Reopening guidance for business and workers
- [Updated](#) - Governor's clarifying memos by phase for businesses

Phase 1

(May 6) Washington state is currently in Phase 1, with construction and other essential activities underway. The additions such as outdoor activities and additional sales and retail activities begin Tuesday, May 5. When the state moves to Phase 2, all components of Phase 1 will continue.

Includes

Phase 1 builds upon recent decisions made around re-opening some activities, including construction activity (allowed as of April 29) and outdoor activities such as fishing, hunting, playing golf and some park access, which Inslee announced last week.

Also adds (as of May 5):

- Drive-in spiritual services with one household per vehicle
- Auto/RV/Boat/ORV sales
- Retail open for curbside pick-up orders only
- Car washes
- Landscaping
- Some pet services (not including grooming)
- Essential travel and limited non-essential travel to engage in Phase 1 activities is permitted.

Phase 2

When COVID-19 disease burden is low and decreasing and the four capabilities (health care system readiness; testing capacity and availability; case and contact investigations; and ability to protect high-risk populations) are met, the governor will issue an order for the state to move into Phase 2.

As noted above, each phase will be at least three weeks, data and metrics will determine when the state can move from one phase to another.

Includes

All components of Phase 1 will carry into the start of Phase 2, which will include outdoor activities in small groups with people from outside one’s household, as well as limited non-essential travel within proximity of one’s home.

Additional modifications to restrictions in Phase 2 affecting business will include:

- Remaining manufacturing and construction phases
- Restaurants/taverns less than 50% capacity/table size no larger than 5 people and no bar area seating
 - [May 11](#) - Dine-In Restaurant and Tavern Industry
 - [May 11](#) - Restaurant/Tavern Reopening COVID-19 Requirements
- Hair and nail salons
- Retail (in-store purchases allowed with restrictions)
- Real estate
- Professional services/office-based businesses (telework remains strongly encouraged)
- In-home/domestic services (i.e., nannies, housecleaning)
- Pet grooming
- Essential travel and limited non-essential travel to engage in Phase 1 and Phase 2 activities is permitted.

Phase 3

If COVID-19 disease burden stays low and the four capabilities (health care system readiness; testing capacity and availability; case; and contact investigations and ability to protect high-risk populations) are met, the governor will issue an order for the state to move into Phase 3.

Includes

All components of phases 1 and 2 will carry into the start of Phase 3, which will include resuming non-essential travel and allowing gatherings of no more than 50 people.

Phase 3 also includes resuming some public activity, such as:

- Outdoor group recreational sports activities (50 or fewer people)
- Recreational facilities at less than 50% capacity (gyms, public pools, etc.)
- Professional sports (horse racing, baseball, etc.) without audience participation
- Restaurants and taverns at less than 75% capacity with table size no larger than 10
- Bar areas in restaurants and taverns at less than 25% capacity
- Indoor gyms at less than 50% capacity; theaters at less than 50% capacity
- Customer facing government services (telework remains strongly encouraged where possible)
- Libraries
- Museums
- All other business activities not yet listed except for nightclubs and events with no more than 50 people.

Phase 4

If COVID-19 disease burden stays low and the four capabilities (healthcare system readiness; testing capacity and availability; case and contact investigations; and ability to protect high-risk populations) are met, the governor will issue an order for the state to move into Phase 4.

Includes

All components of phases 1, 2 and 3 will carry into the start of Phase 4 which would be a full return to public interactions (with appropriate physical distancing).

Phase 4 also includes resuming some public activity, such as:

- Nightclubs

- Concert venues
- Large sporting events
- Resume unrestricted staffing of worksites, but continue to practice physical distancing and good hygiene

COVID-19 Risk assessment dashboard

The state's COVID-19 dashboard provides a high-level overview of the main data points discussed among state leaders and the level of risk experts perceive around the current numbers. It is not intended to represent the totality of all COVID-19 related data. The state is currently developing several new systems for collecting, compiling and reporting much of the data outlined below and this dashboard will link to those new systems as they are completed. In the meantime, where possible, we've linked to the data that is currently available or created a snapshot that summarizes the most recent information available. The dashboard is updated weekly on Wednesdays.
