CORE VALUES: INTEGRITY, SERVICE, VALOR, AND PROFESSIONALISM

WHY RENTON?

Renton is not only a great place to work but the perfect city to call home. It is supported by strong neighborhoods, a nationally recognized public school system, a healthy economy, and a growing population.

Our city provides an excellent quality of life, has well-maintained parks, beautiful rivers and lakes, and is home to the Seattle Seahawks and Seattle Sounders FC Training Facilities.

Renton is recognized for its talented and thriving workforce in high-tech, aerospace, manufacturing, medical, biotech, and service industries. Renton is conveniently located 11 miles south of downtown Seattle, close to the SeaTac Airport, and within minutes of beautiful mountain ranges that offer hiking, skiing, and camping.

Renton takes pride in being one of the most ethnically diverse cities in our region, and it's reflected in our global cuisine, arts, theatre, and vibrant shopping scene.

WHAT MAKES RENTON PD DIFFERENT FROM OTHERS?

Our top priorities are community safety and quality of life for those living, working, and visiting our city. Our staff emphasizes service and putting those we serve ahead of ourselves. We build a strong culture by hiring the right people for the job and using our core values to shape our training, planning, and decision-making.
