# FREQUENTLY ASKED QUESTIONS

## How do I reserve a shelter?

You can conveniently check for availability and reserve online at [rentonwa.gov/rentals](https://rentonwa.gov/rentals), or visit any one of the city's community centers.

## How do I qualify for the resident discount?

The City of Renton recognizes that people living within Renton city limits support the City of Renton through their taxes. Because of this, the city offers Renton residents a discount.

People who reside outside the city limits are also welcome and encouraged to enjoy the parks, activities and services the city provides.

## What are my responsibilities as a renter?

Please be able to provide proof of rental reservation. Familiarize yourself with Renton's Park Rules and Regulations available online at [rentonwa.gov/parks](https://rentonwa.gov/parks).

You can also help us keep Renton parks and facilities clean by putting all garbage into provided receptacles. Please do not use any adhesives or tacks on the picnic shelter structures.

## Picnic Shelter Rental Restrictions

All rental details must be disclosed at the time of reservation. Renters must comply with all City of Renton Park rules and rental agreement terms. Park rules are available at [rentonwa.gov/parks](https://rentonwa.gov/parks) or by calling 425-430-6700.

Groups may not exceed the picnic shelter's capacity. **Inflatables (including bounce houses) are prohibited in all City of Renton parks.** Food trucks and Temporary Event Permits (TEPs) are not allowed at Gene Coulon Memorial Beach Park or within picnic shelters.

## Temporary Event Permits

If your event meets the criteria for a Temporary Event Permit—such as exceeding shelter capacity, impacting public access or parking, requiring amplified sound, alcohol service, street closures, or other city services—you cannot proceed under a picnic shelter reservation. **You must contact [eventpermits@rentonwa.gov](mailto:eventpermits@rentonwa.gov) to discuss alternative options.**

Special requests that do not reach the criteria of a Temporary Event Permit require city approval and may require a certificate of insurance. **All fees must be paid in full to reserve a date, even if approvals are pending.** Any unapproved equipment may be removed by park staff.

## Is the adjacent grass area or sport field included in my rental?

The open grass areas and sport fields are open for public use or are subject to reservations. If you are interested in renting either of those spaces in addition to your shelter rental please email [recreation@rentonwa.gov](mailto:recreation@rentonwa.gov) and reference your shelter rental reservation number.

## What if I have to change the date, time, location or cancel my reservation?

Changes to the date, time, location or to cancel a request must be made 14 days prior to the reservation. All changes are based on shelter availability and must be made by the contracted renter by completing a "Request for Refund/Cancellation Form" that can be found at [rentonwa.gov/picnicshelters](http://rentonwa.gov/picnicshelters).

Any questions may be mailed to [recreation@rentonwa.gov](mailto:recreation@rentonwa.gov).
